OBJECTIVES

To be a part of an organization where I can get a chance to use my knowledge and skills to contribute in the progress of the organization as well as my-self.

Education

Bachelor of Engineering in Electrical and Electronics engineering *Tumakuru, Gubbi*
Channabasaveshwara Institute of Technology. *2021-2025*
Current CGPA: 7.80

Pre-University Collage (PU) *Tumakuru*
Siddaganga PU College *2019-2021*
Final Percentage: 73.66%

Secondary School Leaving Certificate (SSLC) *Tumakuru*
Aryan High School *2018-2019*
Final Percentage: 75.68%

Technical Skills

- **Circuit Design and Analysis:** Basics of MATLAB, PSpice LAB, Sci LAB, CADD
- Analog and Digital Circuits Design.
- **Languages:** Basic of C programming, C++, HTML.
- **Power Systems:** Knowledge of Electrical Machines and Generators.
- MS Office, MS World, MS Power Point.
- **Soft Skills:** Leadership, Time Management, Good Communication.

Academic projects

1. **Dual Axis Solar Tracking System.**
- The Dual Axis Solar Tracking System is designed to maximize the efficiency of solar energy.
- This project uses light sensors and a microcontroller to automatically adjust the panel in both horizontal and vertical directions throughout the day and seasons.
- By maintaining an optimal angle, the system significantly increases power output, making it ideal for renewable energy applications.

2. **Grid Interactive Solar PV Based Water Pumping System Using BLDC Moter and MPPT.**
- The Grid Interactive Solar PV Based Water Pumping System uses solar energy to power a BLDC motor-driven water pump with MPPT to maximize energy extraction from the solar panels.
- The system can operate independently using solar power and also interact with the electrical grid and Battery for backup.
- This makes it efficient, reliable, and suitable for agricultural and rural.

Internship

Rajamane & Hegde Services Pvt. Ltd., Tumakuru

Karnataka Power Transmission Corporation Limited (KPTCL) 220/110/11kV Sub Station, Antharasanahalli, Tumakuru

Courses and Certifications

Completed a 3-day workshop on Electrical Switch Gears and Their Application conducted by DBSON.

DECLARATION

I hereby declare that all the information given above is true and correct to the best of my knowledge and belief
